

Office of Admission

May 18, 2016

Ms. Thai Anh

Dear Anh,

Having reviewed your academic credentials, it is my privilege to extend to you an offer of admission for North Central College's Fall 2016 Term beginning on September 12, 2016. Congratulations, and welcome to our campus community!

In recognition of your academic achievements, you have also been selected to receive North Central's International Scholarship in the amount of \$16,000, a Campus Enrichment Scholarship in the amount of \$3,000 and a Leadership in Cultural Exchange Scholarship in the amount of \$500. These annual awards are based on merit and are renewable. Congratulations on your awards!

To confirm your intention to enroll as a resident student, please submit your non-refundable \$200 deposit as soon as possible. Of this deposit, \$100 will be credited towards your first term tuition, and \$100 will be credited towards your housing deposit. You can submit your deposit by check drawn on a U.S. bank or by using *flywire* (credit card or wire transfer). Enclosed in your acceptance packet is a roommate questionnaire that you should return at the time you make your deposit. Housing will be assigned to students based on their deposit date, so it is to your advantage to send in your deposit as soon as you have decided that North Central is where you would like to attend. Once your deposit is received, registration and orientation materials will be mailed to you.

Your North Central College I-20 form for F-1 student status will be issued once the following have been received:

- 2016-2017 Declaration of Finances & Affidavit of Support Form with your mother's signature (because bank accounts are in her name)
- Confirmation of your physical home address (required to be able to issue the I-20)

Please note that it is your responsibility to ensure that North Central College receives your official final high school transcript showing all grades earned in the last three years of school and confirmation of graduation before your first day of classes.

Welcome to North Central, Anh!

Sincerely,

Megan Ostermat

Assistant Director of International Admission
