- Arrangement for transportation services (we work with our own drivers with safe sanitized cars)

Guardianship Request Form

OUR GUARDIANSHIP INCLUDES:

- Emergency host family if student needs to stay outside of the school for any reason. All host families have to pass background check. Student must be provided with single bedroom just for the student with bed, desk and closet. Students must test negative for COVID 19 in order to be placed with a host family.
- COVID 19 – If a student tests positive**, we will pick up a student from campus within 48 hours from being notified that the student has been diagnosed with Covid 19. We will arrange for the accommodation in a hotel or apartment building. Our staff will stay with students for 72 hours during which we will require parents to come to the United States. The cost of apartments or hotel suite rental are not included and must be paid immediately before we move the student. The 72 hours care is included in the guardianship – after that if parents can't arrive there is an additional \$750 a day charge per care assistance plus cost of accommodation. If parents want to hire a nurse or any medical professional for services not covered by students that is an extra cost not covered in guardianship.
- Quarantine arrangements if required after entry to the USA
- Covid 19 testing if requested before joining the school
- 24 h assistance with arranging school pick up and accommodation if a student needs to leave campus due to health, behavior or school closing emergency
- Finding temporary host family

**Parents are responsible for covering the cost of car service, tutoring hours, quarantine accommodation, school break program or host family cost etc.*
