ABOUT THE SCHOOL

Established in 1929, The Orme School is a unique, college-preparatory, co-educational boarding and day school for grades 8 through 12, set on 300 acres in rural Arizona. The school's mission is to develop character, scholastic growth, and intellectual curiosity, as well as to enable students to succeed at the college of their choice and in life. Faculty, staff and students are structured, supportive, and diverse. Challenging curriculum features a combination of classroom instruction, hands-on learning and both environmental and aesthetic awareness. From the academic program to residential and community life, the guiding principles of Excellence, Tradition, and Character are applied to every aspect of an Orme education. Orme School has 40 horses and 100 buildings on campus.

ACADEMICS

Small classes offer individualized attention and more direct involvement with faculty. The average class size at Orme is eight students, with opportunities throughout the day and evening for students to meet one-on-one with their teachers. Coursework extends well beyond the classroom through outdoor learning, field trips, and study abroad opportunities.
