Why students love Phillips Academy

Studying at Andover takes many **different formats and shapes**, and it all depends on each **student's preference and interests**. Staff and teachers are inspirational and have strong backgrounds making them **amazing coaches, advisors, mentors and lifelong resources**.

Each student has the opportunity to engage with several cultures through Learning in the World (LITW). Moreover, learning resources are also diverse. Indeed, Andover is one of the best high schools in the US, and its educational program brings **limitless opportunities to grow** and develop a whole skillset.

Housing

The school offers on campus housing in a welcoming environment. Teachers and their families also live on campus providing 24h care for the students.

Dorms

There are 5 different residential neighborhoods, called clusters. Each one has some dorms, 220 students, 40 faculty families, a dean and student leadership positions. Yet, each cluster is different; the smallest has 4 students, the largest one has 44; some are cottages, others are beautiful brick buildings.
