Elite University Program

Cogito World Education offers assistance with the application process especially for international students aiming for Top100 university or liberal arts college placement.

Our services include:

- Application support up to 5-10 top universities and liberal art colleges
- Guaranteed admission to at least 1 school from student list.

How It Works:

- The student fills a pre-application form and sends it to Cogito along with academic transcripts, English exam scores, and any other relevant documents (resume, achievements, etc.)
- Cogito reviews documents and provides immediate feedback if student qualifies
- Student and Cogito finalize list of 5-10 schools and prepare admissions packets
- Student starts common application, adds schools and provides Cogito with password
- Student submits \$2000 service fee
- The student submits the first draft of a common application essay by November 5th.
- The student submits a list of extracurricular activities by November 10th.

Our services include:

- Selection of colleges and final list of schools and requirements including up to up to 5 hours of Skype meetings to review common application and essays
- Revision of all required essays

Agreement

We, parents of _____
Have read and understand the above terms. We fully acknowledge and understand that in order for our child to get admitted to top universities he or she will have to express hard work and determination. Both Cogito and the student must be equally involved in the process. We understand that if our child frequently cancels scheduled appointments with tutors or fails to deliver required documents or revised essays his or her college acceptance will be at risk and Cogito will not be obligated to issue any refund in case of rejection.

Top 100 colleges common application essay prompts.

1. Some students have a background, identity, interest, or talent that is so meaningful they believe their application would be incomplete without it. If this sounds like you, then please share your story.
2. The lessons we take from obstacles we encounter can be fundamental to later success. Recount a time when you faced a challenge, setback, or failure. How did it affect you, and what did you learn from the experience?
3. Reflect on a time when you questioned or challenged a belief or idea. What prompted your thinking? What was the outcome?
4. Describe a problem you've solved or a problem you'd like to solve. It can be an intellectual challenge, a research query, an ethical dilemma - anything that is of personal importance, no matter the scale. Explain its significance to you and what steps you took or could be taken to identify a solution.
5. Discuss an accomplishment, event, or realization that sparked a period of personal growth and a new understanding of yourself or others.
6. Describe a topic, idea, or concept you find so engaging that it makes you lose all track of time. Why does it captivate you? What or who do you turn to when you want to learn more?
7. Share an essay on any topic of your choice. It can be one you've already written, one that responds to a different prompt, or one of your own design.
