

# Cogito High School Programs

Cogito offers admission support to carefully selected:

- boarding schools - with on-campus living
- private and public day schools – with carefully selected host families

Cogito works ONLY with well-established and accredited American and Canadian high schools.

## ✓ Our partner schools offer:

- Great academics with AP and honor classes
- Additional programs like STEM, robotics
- Lots of extra curriculum classes and activities
- Good selection of sports with full access for international students
- Impressive college attendance lists
- High school diploma
- Healthy ratio of American and international students (usually 80:20)

## ✗ We do not work with:

- Very small schools with less than 50 students
- Schools that are extremely religious
- For-profit schools run by private companies with a majority of students being international

We offer 3 different programs to accommodate different budgets and expectations.

- Scholarship High School Program
- Select High School Program
- Elite to 50 ranked High School Program

## Scholarship High School Program

Based on student's budget and preferences Cogito selects 2-5 schools for students to choose from.

**Cost:** \$29,950 – \$55,000

# COGITO HIGH SCHOOL SCHOLARSHIP PROGRAM

Cogito High School Scholarship program offers admission to carefully selected boarding and private day (with homestay) schools at a very low cost.

We selected only academically strong schools that have:

Selection of AP courses

Additional programs like STEM, robotics,

Lots of extra curriculum classes and activities

Impressive college attendance lists

Students can complete all years of high schools

Good selection of sports with full access for international students

Because of generous scholarships, motivated and talented students can attend those schools for a fraction of its real cost. Often, the final cost after the scholarship is comparable to low public high schools on J-1 or F-1 programs with a much higher quality of academics, sports, and student support.

## HOW THIS PROGRAM WORKS?

1. Students fill up a pre-application, indicating a budget for the academic year, GPA, talents, and interests.

2. Cogito reviews the pre-application and negotiates with schools on the list of the biggest scholarships possible.

3. Cogito presents students with a list of 3 schools where the final price after the scholarship meets the student budget (the min budget for the academic year should be \$29,950 or higher).
